20 EVERYONE must do it. Overwhelm by numbers. How can that even be illegal. The 2nd Amendment say "keep AND bare" not "hide AT home".

4 ▼ A marching mass of humans into the halls of congress would be the goal. To touch the untouchables. To violate their chambers with our deplorable presence and finally have our voices heard in the land of the free and the home of the brave.

1 ▼ The enemy doesn't care about "laws," don't hamstring yourself. Don't walk into battle and voluntarily camp on the low ground.
